HERE ARE SOME ADDITIONAL TIPS TO HELP MAKE COLLECTING DONATIONS EASIER...

- Anyone is a potential donor.
- Ask people that you have daily contact with or who you’ve established a relationship with in one way or another — parents, friends, classmates, co-workers, neighbors, grocer, banker, mechanic, lawyer, dry cleaner, fellow parishioners, etc.
- Start with the person whom you think will give you the largest donation, which will establish a high baseline of giving.
- Ask your company about matching gifts. Many companies will match whatever amount each employee raises on his or her own.
- Tell your pledge supporters why you’re walking for Komen.
- Collect your donations up front so you don’t have to ask for them a second time.
- Ask at least 1 person per day to make a donation.
- If you’re uncomfortable asking face-to-face, use the website [www.komenNCAlabama.org] instead. On the Web we’ve provided sample email/letters to help you.
- Aim high — ask for \$50 and settle for \$25, instead of asking for \$25 and settling for \$10. Base the amount you’re asking for on your prospects’ ability to give.
- Carry your collection envelopes/cans with you at all times.

TEAM CAPTAIN JOB DESCRIPTION

- Register today at www.komenNCalabama.org
- Recruit a team of at least 10 participants made up of your fellow employees, family members and/or friends. The more the merrier! The rule of thumb is to recruit between 10 and 20 (or more!) participants per team.
- Instruct your team members to register online at www.komenNCalabama.org. Make sure your team members register under your team name. Provide them with instructions on how to get to the proper place on the website:
 1. Go to www.komenNCalabama.org and click on the pink “Register Today” button.
 2. Select the “Search for a team” link on the left column of the main Race page.
 3. Find and click on our Team Name on the alphabetical list. Our Team Name is: _____
 4. On our Team Webpage, click on “Join our Team” and follow the prompts to register!
- Encourage each team member to raise a minimum of \$250, but they don’t have to stop there. Some individuals have raised over \$1,000! Remember, every \$75 dollars you raise could be another free mammogram for a woman in need.
- Coach and motivate team members for success. Once your team members are registered, hold a rally in your conference room or living room to help generate excitement and educate them on their responsibilities (i.e. asking for donations, recruiting more participants). Have your team members provide you with weekly reports on their progress.
- Don’t forget to solicit for donations yourself. As the team captain you should set the tone. Besides your own family and friends, you should also contact your company vendors to support you and your team.
- For those not able or willing to donate online, have your team members collect checks made payable to the Susan G. Komen for the Cure North Central Alabama. Cash and checks are considered offline donations and will be entered on the website through a team member’s Participant Center by the Komen office. Note: it’s important to keep track of all donations you receive.
- Collect all of your team members’ donations and collection envelopes and be sure to turn them in at Packet Pick Up or Race Day.
- Attend the Komen Race for the Cure! Remember to wear shirts with your team name and highlight your company logo for extra exposure.
- Host a post Race party to celebrate your team’s success.

“SERVE YOUR SWEET TOOTH” DAYS

Everyone loves homemade desserts and everyone likes to make them! Have a contest to judge the best chocolate chip cookie and have your CEO be the judge! Then sell all the entries to benefit your Race team!

Example: If you had a bake sale once a month for a year you could raise about \$1,000!

CASUAL DAYS

Ask your team members and other department representatives to collect a \$5 fee from employees who would like to dress down on Fridays. The donations will benefit – your Komen Race for the Cure Team!

Example: If you held a Casual Day once a month for a year and 100 employees participated, you would raise \$6,000!

“WATER COOLER” DAYS

Have employees gather around the water cooler to take a break and buy bagels, pizza slices or popcorn on certain days of the week. Or have a team member take up collections for coffee and then do a delivery run. You can charge a little extra since you are bringing it to them.

Additional Tips

Brainstorm with your team. Be creative and think of things that can involve the entire company. Advertise your participation as much as possible and JUST ASK PEOPLE! Too often people just don't know how to get involved. A poster on a bulletin board may not get noticed, so make sure your event information stands out.

The more excitement you can create, the more people will want to be a part of it! If you are having fun, your co-workers will too!
